A Better Medical practice

Westcare Family Medical Centre

The doctors at **Westcare Family Medical Centre** privately bill. Doctor consultation fees are payable in full at the time of consultation by cash, EFTPOS, or credit card. Consultation fees are charged depending on a number of factors, including length of consultation and complexity of services provided.

If you have a Medicare Card, Medicare will refund you a proportion of your appointment fee (Medicare rebate), and the remaining amount will be your out-of-pocket cost. Medicare rebates are available for most medical services and once payment is received; your rebate is transmitted directly to Medicare. Your Medicare rebate will be reimbursed to your nominated bank, almost immediately.

For patients with chronic diseases, you may be eligible for a GP Chronic Condition Management Plan (GPCCMP). These consultations and reviews are bulk billed by your GP. Please speak to reception or your doctor for further details.

All WorkCover/TAC consultations will incur a fee made payable on the day. Patients are to redeem a refund directly from their employer, the WorkCover insurer, or TAC. It is important to note that while reimbursement may be available, there is often an out-of-pocket expense involved to the patient,

Patients with financial difficulties should speak with reception staff prior to an appointment, either in person or via telephone.
